NEW SAM SITES NEAR STALINGRAD, USSR

Two new SA-2 surface-to-air missile (SAM) launch sites under construction near Stalingrad have been identified on KEYHOLE photography of [REDACTED] (see Figure 1, items 1 and 2). Six additional SAM launch sites and one SAM support facility, previously reported from TALENT photography of [REDACTED] were also identified on the KEYHOLE photography. Information on these seven installations is given in the documents listed under References. No change in their status is discernible.
